

WHAT IS THINK [CA]?

Think [CA] is Sodexo's commitment to communicating to our students, parents, administration and communities that we are your partners in nurturing students by empowering them to think about their nutritional choices and choose to eat well.

The project is designed to get individuals (of all ages) to STOP and THINK California! Think about the unique qualities associated with the state and our foodservice programs. This includes, whenever possible, to feature items that are made from scratch, selections with a short ingredient list and/or no artificial additives and to use locally-grown and produced ingredients. **Think [CA]** visualizes our promise to promote student achievement while improving the quality of life and overall well-being of the students, families and communities we serve.

Sodexo is committed to promoting healthier food choices and encourages students and families to use the USDA MyPlate to build healthy and balanced meals.

WHAT DO THE ICONS MEAN?

As major focus of **Think [CA]** is to help students make nutritionally sound choices. To assist in this effort, we have created three color-coded graphic icons to correlate with the key initiatives we are emphasizing throughout our California accounts. In addition to a distinct color, each icon features a simple graphic and key word that visually communicates the meaning of the icon.
